Hope it's not laundry day!

No need to get your panties in a bunch, but in case you forgot to mark your calendars, today is the day we celebrate boyshorts, bikini cut, thong, silky, cotton, and polka-dot! It's **National Underwear Day**.

Freshpair founder and creator of this glorious holiday, Michael Kleinmann, said,

"We created National Underwear Day because we are passionate about underwear, and we wanted to create a day where everyone could celebrate underwear the way we do each day. After all, no one just reaches into their underwear drawer in the dark and grabs the first thing they see. Most people match their underwear to their mood or to their outfit."

I wonder if he knows **some people don't wear any** at all!

However, if you're lucky enough to be in the New York area at the moment, don't be surprised if you spot hoards of male models walking around the streets in their skivvies, it's all part of the day's festivities. What a treat!

You're skeptical. I can tell. You're all like, "We're celebrating a day dedicated to undergarments? WTF." **Read More »**
