News Brief -- National Underwear Day

Thanks to the industrious Yelpers! we now know that August 7th is National Underwear Day. So in honor of this national holiday, they're saluting their skivvies and bringing you a *brief* list of lingerie shops that are giving people something to talk about.

Yelp! is the fun, informative, reader-generated review site which has hyper-active communities in San Francisco, Boston, Chicago, Los Angeles, New York, San Diego, Seattle, Washington D.C., Austin and San Jose.

Last month they celebrated National Ice Cream day -- this month it's lingerie. So you're in the know, Panty Raid got 4 stars and this reader review:

Panty Raid carries some of the best brands - Elle Macpherson (who'da thunk she'd have such a kick-ass lingerie line?), Cosabella, Huit, Mary Green, etc. They are also sweet as can be and dog-friendly.

Other LA faviorities included Faire Frou Frou and a Touch of Romance. Check out who's baring all in your city.
