Freshpair.com founded and hosts National Underwear Day, a huge event to celebrate underwear! And you know we love some hot guys in their drawers! Lydia Hearst was the celeb host, and she was a vision. James, Danny, Muzzy and I went to check it out, and the debauchery ensued! Pictured below with the handsome president of Freshpair.com, Michael Kleinmann, Lydia Hearst, and a very hot and tattooed Tyson Beckford.

Also on hand was designer Marc Bouwer, and Heatherette designer Richie Rich.
