According to the sponsors at freshpair.com, 41 percent of men prefer briefs, while 37 percent of women wear bikini briefs.

## NEWS BRIEF

### The best way to dress for a hot summer!

We see London, we see France, we see New York's underpants! Throngs of sexy models stripped down to their skivvies for National Underwear Day on August 7. For once, Times Square's racy billboards and bright lights couldn't compete with dozens of underwear ambassadors parading through midtown Manhattan showing off the hottest styles, giving away free bras and undies, and polling people on their underwear preferences.

## BALANCING ACT

### Could Lance Armstrong do this?

It wasn't exactly a leisurely bike ride through the park, but acrobats in China's Chaibuxi National Forest made this death-defying tightrope trick look easy. The stuntmen performed their two-wheeled wonder more than 3,200 feet in the air on August 4 to promote tourism in the region.
