

And, oh, Tuesday was National Underwear Day! Talk about having something to confess to! Freshpair.com threw a fun party at Espace on West 42d Street, which featured an ongoing runway presentation of men's (and some women's) underwear from Diesel, Wacoal, Sean John, Natori, Champion, Unico, 2(x)ist,...the list just goes on for days! It was a great chance to catch up with some of the other editors and p.r. people, and the fact that every so often some muscle-bound model would cruise past in his underwear wasn't so bad, either.

*THAT'S what I call a runway.*

*Mark Silver of Factory PR and some of "the boys."*
