The sexy **6th Annual National Underwear Day** runway show was held on last Tuesday in New York. Popular brands of underwear were presented with the goal of calling attention to the intimate apparel industry.

The annual event was organized by Freshpair.com and President Michael Kleinmann commented, *"Underwear is the foundation. It's the first thing you put on, and the last thing you take off at night, so we wanted to call attention to the intimate apparel industry."*

Among the popular undergarment brands showcasing their various **intimate apparels** in the show includes Tommy Hilfiger, Wacoal, DKNY, Natori, Diesel, Le Mystere, Mundo Unico, Sean John, Champion, and Nautica. These brands displayed a wide range of undergarments - sports bra, briefs, boxer shorts, thong styles, cotton, satin, and lace.

Russels Simmons who was spotted in the event couldn't help but admire, *"Underwear is sexy. It keeps people moving."*

And how couldn't he? When a particularly **handsome male model** strut around the catwalk in his tight briefs or a **gorgeous female model** walks on the stage wearing nothing but her undergarments, what a sexy view would that be.
