

The List

Gear: Custom Moleskines

This Portland outfit pimp's out the leather-bound journals beloved by Van Gogh, Hemingway, and that poet in the Greyhound depot with one of 8 laser-engraved artist prints. Optionally, they'll throw your own design on the cover and/or spine, letting you emblazon the outside of your genius repository with that which fills it: endless variations on the 3-D box.

Pick out/submit your design at EngraveYourBook.com

Services: Mp3gle

This Mp3 bloodhound lets you stream and/or download your finds direct from the hosting site -- because sometimes you want to preview Dan Fogelberg, and sometimes [you just need to own him.](#)

Quick Drinks: The Chugger

Just in time for March Madness, fill this "evolution of the funnel" w/ up to 30oz of beer, then lift above head, lower attached hose to lips, and your big brew'll go down in 1.75 seconds -- assuming

you're a highly-trained drunk, or the morose copywriter for Chugger.com.
