## National Underwear Day

July 31, 2008 at 12:54 pm by Kristi Gustafson

August 5 is National Underwear Day To help celebrate Freshpair.com's salute to undergarments, Carefree pantliners did a survey that revealed some interesting underwear facts:

- Which do you think men really love their women to wear - thongs or briefs? **Men** who have a preference about their spouse or significant other's underwear most **prefer** that she wear **briefs (34 percent)**, **the style most women (53 percent) truly prefer** .
- **One in five** women ages 18 to 34 admit to going **commando** at least once a month.
- **Sixty-one percent** of women 18 to 34 admit they have at least one pair of "**granny panties**" in their underwear drawer so they do not ruin their favorite pair.
- **Fifty percent** of women surveyed admit that wearing their favorite pair of underwear makes them feel special and more confident.
